WHEREAS, a Request for Proposals has generated five proposals responsive to the request and demonstrating the ability to deliver home care in a safe, effective and efficient manner; and

WHEREAS, the proposal submitted by Home Care of Rochester, Inc. is determined superior to others based on a thorough analysis and evaluation by a management team assembled by the County Administrator and the Chairman of the Public Health Services Committee; and

WHEREAS, evaluation of the proposal submitted by Home Care of Rochester has revealed that it has an exemplary record of delivering high quality effective home care services, has taken over other county home care functions and agencies with seamless transition while hiring employees from the county agencies; and
